

DULMINI WANIGASEKARA

Computer Science Undergraduate

ABOUT ME

Motivated Computer Science undergraduate with hands-on experience in full-stack web development. Strong project leadership and teamwork abilities, complemented by national-level sports experience and a creative problem-solving mindset. Passionate about building user-friendly, responsive web applications and eager to contribute to innovative software engineering teams with adaptability, strong communication, a commitment to continuous learning, and the ability to quickly learn and adopt new technologies to deliver effective software solutions.

EDUCATION

INFORMATICS INSTITUTE OF TECHNOLOGY

BSc in Computer Science

2024 – Present

Foundation Certificate in Higher Education

2023 – 2024

TECHNICAL EXPOSURE

Programming Languages

- Java
- Python
- JavaScript
- TypeScript

Frontend Frameworks

- React.js
- Next.js
- Tailwind CSS
- React Native

Backend & Databases

- Node.js
- Express.js
- MongoDB
- SQL

PROFESSIONAL EXPERIENCE

Frontend Developer Intern (Aug 2025 – Feb 2026)

Company: Agilwave (Pvt) Ltd

Tech Stack: Next.js, React.js, Tailwind CSS, TypeScript, JavaScript

- Developed the Pharmacy LMS, including admin and student dashboards with full functionality, dark and light mode, and collaborated with the UI/UX team to improve user experience and interface.
- Contributed to the Help Sri Lanka project, building responsive web and mobile applications using React and React Native, ensuring smooth project delivery with modern frontend technologies.

Achievements:

- Gained hands-on experience in Next.js, React.js, Tailwind CSS, and TypeScript, improving full-stack implementation, responsive design, interfaces, and UI/UX skills.

PROJECTS

Story Sound Hub

A full-stack web application that combines property listings with a second-hand book marketplace, featuring property search with filtering, user authentication, an integrated book marketplace with AI chatbot assistance, reviews, purchasing functionality, and a responsive, cross-device design.

Tech Stack: React.js, Laravel (PHP), MySQL

Secure Advanced Note Management System

A full-stack web application for note management, featuring CRUD operations via RESTful APIs, categorization with tags, archive/trash functionality, checklists, locked and password-protected notes, voice-to-text conversion, and a built-in calendar view. Offers a responsive, user-friendly interface with filtering, sorting, and advanced organizational capabilities.

Tech Stack: React.js, Node.js, Express.js, MySQL, Tailwind CSS

Climatrix

A responsive weather application that displays real-time, hourly, and weekly weather forecasts using the OpenWeatherMap API, showing temperature, humidity, wind speed, and sunrise/sunset information through a clean and user-friendly design.

Tech Stack: Next.js, TypeScript, OpenWeatherMap API, Tailwind CSS

Markup & Styling

- HTML
- CSS

Platforms & Tools

- Postman
- GitHub / Git
- Jira
- Figma

CORE TECHNICAL SKILLS

- Full-Stack Web Development
- Object-Oriented Programming
- Data Structures & Algorithms
- RESTful API Design & Integration
- Version Control (Git & GitHub)

SOFT SKILLS

- Communication
- Teamwork
- Creativity
- Leadership

Zoom to Space

Interactive astronomical web application delivering comprehensive space exploration content through multiple tabs showcasing planets, ISS details, astronaut profiles, and solar system data. Built with React components utilizing state management and conditional rendering for smooth navigation and engaging visual animations.

Tech Stack: React.js, Node.js, Express.js, MySQL

Scientific Research Data Management System

A comprehensive data management platform for scientific research, built using an object-oriented architecture and featuring advanced serialization methods, an intuitive graphical user interface, scalable data-handling capabilities, and strong validation mechanisms.

Tech Stack: Python, JSON

Expense Tracker (CoinWish)

A responsive expense-tracking web application with full mobile responsiveness, featuring interactive charts, category-wise filtering, local data persistence, a built-in calculator, and dark and light mode, providing an intuitive interface and smooth user experience for efficient personal finance management.

Tech Stack: Next.js, TypeScript, Tailwind CSS

EXTRA-CURRICULAR ACTIVITIES

Represented the Sri Lankan Junior Karate Team

- 1st Runner-Up, 13–14 Female Kumite (+40 kg), 8th International Karate-Do Open Championship, 2018 (Malaysia)
- National Black Belt Holder – 2018

University and School

- Rugby Player (Wing)
- Football Player
- Athletics – 100m Hurdles / 400m Hurdles / Relay Team
- Netball Player (WA)

St. Thomas Girls' High School – Matara

- Junior/Senior Prefect – 2020/2021
- Member of the Dancing and Drama Teams & Eastern Band
