

DULMINI WANIGASEKARA

Computer Science Undergraduate

ABOUT ME

Motivated Computer Science undergraduate with hands-on experience in Java, React.js, MySQL, and full-stack development. Strong project leadership and teamwork abilities, complemented by national-level sports experience and a creative problem-solving mindset. Passionate about building user-friendly, responsive web applications. Eager to contribute to innovative software engineering teams with adaptability, strong communication, and a commitment to continuous learning.

EDUCATION

INFORMATICS INSTITUTE OF TECHNOLOGY

BSc. in Computer Science
2024 – present

Foundation Certificate in Higher Education
2023–2024

ST. THOMAS GIRLS 'HIGH SCHOOL MATARA
2016 – 2023

TECH EXPOSURE

Programming languages

- Java
- Python
- JS/TS

Frontend Frameworks

- React.js
- Next.js
- Tailwind CSS

PROFESSIONAL EXPERIENCE

Frontend Developer Intern – (August 2025 – Present)

Company: AGILWAVE (PVT) Ltd

Project: Pharmacy LMS Website | **Tech:** Next.js, Tailwind CSS, TypeScript

PROJECTS

Story Sound HUB

A full-stack web application that combines property listings with a second-hand book marketplace, featuring property search with filtering, user authentication, an integrated book marketplace with AI chatbot assistance, reviews, purchasing functionality, and a responsive, cross-device design.

Tech Stack : React.js, Laravel (PHP), MySQL, Laravel

ZoomToSpace

Interactive astronomical web application delivering comprehensive space exploration content through multiple tabs showcasing planets, ISS details, astronaut profiles and solar system data. Built with React components utilizing state management and conditional rendering for smooth navigation and engaging visual animations.

Tech Stack : React.js, CSS

Scientific Research Data Management System

A comprehensive data management platform for scientific research, designed with an object-oriented architecture and integrated features such as advanced serialization techniques, an intuitive GUI, scalable data handling capabilities, and robust validation protocols.

Tech Stack : Python, JSON

Climatrix

A responsive weather application delivering real-time forecasts with OpenWeatherMap API integration, with integrated features such as hourly and 7-day weather predictions, temperature, humidity, wind speed, and sunrise/sunset data—presented through a clean, mobile-first UI design.

Tech Stack : Next.js, TypeScript, Tailwind CSS, OpenWeatherMap API

Backend Technologies

- Node.js

Databases

- MongoDB
- MySQL

Markup & Styling

- HTML
- CSS

Platforms or Tools

- Github
- Git
- Postmon
- Figma

SOFT SKILLS

- Communication
- Team Work
- Creativity
- Leadership skills

Java Student Management System

Academic administration application managing student records and information processing. Implements object-oriented programming principles for efficient data handling and administrative operations.

Tech Stack : Java, JSON

Expense Tracker (CoinWish)

Developed a responsive expense tracking web application Features interactive charts with Recharts, category-wise filtering, local data persistence, built-in calculator, and mobile-first design with dark/light mode toggle.

Tech Stack : Next.js, TypeScript., Tailwind CSS

workshops Website

Built a modern, responsive single-page web application using React.js and CSS that allows users to browse, search, filter, and sort workshops, view detailed information, register/unregister, submit feedback, and manage their dashboard, using mock data and local state without backend integration.

Tech Stack : React.js, CSS

EXTRA CURRICULAR ACTIVITIES

Represented the Sri Lankan junior karate team

- 1st Runner-up Award 13-14 Female Kumite +40kg 8th International Karate-Do Open Championship 2018 (Malaysia)
- National Black Belt player - 2018

University and school

- Rugby player (Wing)
- Football player
- Athletic - 100m Hurdles / 400m Hurdles and relay team
- Netball player (WA)

St. Thomas Girls' High School - Matara

- Junior /Senior Prefect - 2020/2021
- Member of dancing, drama team & Eastern Band in school
